Re: Hennepin County Regional Rail Authority Abandonment of the Dakota Rail Line  
in Carver County, Minnesota, STB Docket No. AB-864X

Dear Secretary:

Pertaining to Carver County Regional Rail Authority's Request For Public Use  
Condition dated February 10, 2004: In paragraph No. 1 and No. 2, please change the  
time sought from immediate to 180 days in order for Carver County Regional Rail  
Authority to begin negotiations with the Hennepin County Regional Rail Authority.

Mile post readings have not been established at the east and west county boundary  
lines. A map is enclosed which depicts the right-of-way of the Dakota Rail Line as it  
passes through Carver County. This map was inadvertently omitted from the  
February 10, 2004 submittal for the Request For Interim Trail Use.

Should you have any questions please contact me at 952-466-5252.

Sincerely,

Martin J. Walsh  
Park Director

Attached is the revised letter noting that mile post readings have not been established for the east and west ends of the rail line as it passes through Carver County. I will be sending this letter and a map depicting the rail line via FedEx.

You may want to replace the previous letter dated February 25, 2004, that was faxed earlier today with this one.

Should you have need to call me I can be reached at 952-466-5252.
